

BACKGROUND

An Alberta Education approved Kindergarten program will be offered provided that space is available in the School without compromising the Grades 1 – 12 program.

This is a voluntary kindergarten program and is neither a requirement for nor a guarantee of admission into the School's Grade 1 program.

GUIDELINES

1. The Principal is responsible for developing rules for and information regarding the Kindergarten program which are consistent with the Charter, Charter Board policy, administrative procedures and which meet statutory requirements.
2. Children must be aged five (5) years on or before February 28th of their kindergarten school year.
3. Opportunities are provided for parents to become meaningfully involved in the Kindergarten program as members of the School Council and through volunteer opportunities within the Kindergarten class.
