GRADE 7 PROGRAMS		
<p>the grade 7 experience involves one integrated program that consists of many exciting adventures. Throughout the year each grade-7 class will get the opportunity to learn from a select group of teachers. Students will experience numerous off-campus pursuits, which will provide hands-on opportunities to look at issues such as environmental sustainability and social responsibility. Given this active structure, students will spend a significant amount of time outdoors in all weather conditions participating in hiking and camping as well as cycling.</p>		
	Due to the extensive activity bases of this program there is an additional activity fee of \$100 for each student.	Y
COMPLEMENTARY COURSES (student choice)		
<p>Grade 7 students continue to study the language selected in grade 6. (new students please indicate your language of choice) As well students take 3 complementary courses. Please rank (4) courses with #1 being your top choice. Courses may not be offered if there is insufficient enrolment. Some courses have fees associated with them to cover the cost of consumables.</p>
