Dear Sir or Madam:

**Westmount Charter School** is currently planning its annual Spring Fling & Silent Auction to be held on Friday, March 2, 2012. With an anticipated 500 guests, we expect the auction will be a great success as it has been in previous years!

Since Westmount first opened its doors in 1996, it has clearly demonstrated the overwhelming need and demand for an educational programming that accommodates the unique requirements of our student body. The school's mandate is to meet the needs of its gifted learners and promote their social and emotional development. Westmount attempts to achieve this through provision of an innovative and collaborative environment, and a curriculum that allows students to thrive and reach their fullest potential.

Guided by the school's unique Charter, its dedicated administration and teaching staff, and its rapidly increasing reputation, Westmount has grown from 116 students, in grades one through three in 1996, to a remarkable student body in excess of 1000. Westmount Charter is a Kindergarten to Grade 12 school, represented by students from all quadrants of the city across all socioeconomic and cultural backgrounds.

Westmount Charter School is a publicly funded school that relies heavily on funds raised by its School Council in order to complement the provincial government's yearly grants. This year, the goal for our Spring Fling & Silent Auction is to raise over \$20,000 to assist in the purchase of many required items, particularly since having relocated our school into new facilities in September 2011.

With your contribution of a monetary gift, merchandise or services, ranging in value from \$25 to \$1,000, we hope to reach that goal and continue to provide the necessary resources to effectively educate our children. Tax receipts (as per Revenue Canada's Tax Regulations) can be issued for donations exceeding \$25. Contributors will also receive acknowledgement in our Spring Fling printed program, in addition to exposure of their product or service (including any promotional display material) during the evening.

On behalf of the students and staff at Westmount Charter School, we extend our heart-felt appreciation and gratitude for your support!

Sincerely,  
Spring Fling Committee  
Westmount School Council
