If you are experiencing sign in issues, please contact your school for assistance. For security reasons, PowerSchool is unable to assist with sign in, password, or other accessibility-related issues.

3. If you are unable to resolve your login issue, or require further information, please contact the [Elementary Campus](#) or the [Mid-High Campus](#).

Please note that email address changes you make in PowerSchool only affect where PowerSchool sends your automatic PowerSchool notifications, as set in the parent portal under "Account Preferences".
