

PowerLearn Portal Access – How to Set up Your Parent Account

To Access PowerLearn for the First Time You Need:

- your **PowerSchool** log in id. (*Forgot your PowerSchool Login ID? [Click here for help.](#)*)
 - the **temporary PowerLearn password** provided to you by the school. If you did not receive a password, please contact the school.
1. Navigate to [PowerSchool](#) and log in using your normal login credentials. PowerSchool may be accessed from the **Quicklinks** menu on the [Westmount Website](#).
 2. Scroll to the bottom of the PowerSchool left-side menu and click **PowerSchool Learning**.
 3. The PowerLearn **Sign in window** will appear. Enter your PowerSchool *login id* and the *temporary PowerLearn password* provided by the school. Click the **Sign in** button.

4. You will be prompted to change your password. Enter your current *temporary password*, then your *new password*, and click the **Change Password** button.
5. **Congratulations!** After logging in and changing your password, you will automatically be able to see what is going on in your child's digital classrooms!
