

Fostering gifted education from the inside out

Dear Westmount families,

During such a difficult time in our world, we hope that you and your families are remaining safe and well. Through all the challenges of the past year and the upcoming year, we are thankful for the tremendous efforts of Westmount Charter School administration, teachers, students, parents and everyone involved with the education process. This has been different than any of us would have imagined and working together will continue to bring the best results for our children.

Although a lot has changed currently, one thing remains the same – Westmount Charter School needs the support of our families to be able to ***bring the best education to our children***. We know times are challenging in so many ways, but if you are able to support Westmount this year, **your donation would be greatly appreciated.**

Thanks to those who have supported the school in the past. Through YOUR past support, our children were given opportunities to learn, participate and flourish. Some of the valuable activities and resources you supported were field trips for K-12, bussing to field trips, classroom enrichment as well as music, dance and drama productions.

Funds raised in this extraordinary year will help to fund parent education presentations by professionals throughout the year and student awards. Donations will also help to cover new COVID-related expenses such as Zoom accounts that we need to stay connected with the Westmount parent community as well as other school needs.

Donations can be made at any time of the year but those made before the end of 2020 will be eligible for a 2020 tax receipt. Because of the current pandemic, we ask you to donate online at <https://www.westmountcharter.com/parents/donate/> or **mail a cheque and the donation form below** to one of the Westmount campuses. There is also the opportunity to donate monthly if you prefer.

Once again, we wish you and your families good health and safety during these uncertain times.

Sincerely,

Baljit Singh
