

## Grade 4 School Supplies List 2021-22

Parents, it is very important that **ALL** supplies are purchased, unpackaged and neatly packed into a Ziploc bag with your child's name on it for the first day of school. The Ziploc bag will be used to store the extra supplies. The zippered backpack pouch will be used for agendas (provided) and papers that need to go between home and school, neat and organized. Please **DO NOT** label duo-tangs. Please label your child's indoor shoes, backpack, lunch kit and water bottle (many students come to school with the same items). You can label your child's other supplies if you want.

\*Backpack: Students are requested to have a backpack to carry required items to and from school. General medical advice recommends that backpack weight should never exceed 10% - 20% of a child's bodyweight, and that backpacks should fit children properly. We respectfully ask that this be taken into consideration when you purchase backpacks for your children.
