

***Fostering gifted education from the inside out***

Dear Westmount families,

We hope that you and your families are remaining safe and well during these challenging times. We are very thankful for the tremendous efforts of Westmount Charter School administration, teachers, students, parents and everyone involved with the education process.

What a year it has been – so many changes and so much work for our school administration and teachers to ***provide the best education to our children in a safe environment.*** Westmount Charter School needs the support of our families to be able to continue these high standards of education. We know that times continue to be challenging, but if you can support Westmount this year, ***your donation would be greatly appreciated.***

Thanks to those who are past and/or current supporters. Through YOUR past support, our children were given opportunities to learn, participate and flourish in a safe environment. Some of the valuable activities and resources you supported in the past year were parent education sessions on topics such as mental health and COVID variants and vaccines. Donations also helped to fund teacher support and recognition, COVID-related expenses such as Zoom accounts that were (and still are) needed for communicating with the Westmount parents and 25<sup>th</sup> anniversary celebrations.

Funds raised in this extraordinary year will once again help to provide parent education through presentations throughout the year as well as continued COVID-related expenses. In addition, funds will be used to enhance students' experience through field trips and opportunities with guest speakers. We understand from administration there is an increased bussing cost this year because of the required spacing due to the pandemic so donations will also be directed to this area.

We are fortunate to have Westmount Charter School and our wonderful teachers here in Calgary, so ***let's make the most of this opportunity by doing our part!*** Our teachers and administration have gone above and beyond for our children, especially over the past couple of years. Let's show our gratitude and support to our school by providing the needed funding for them to continue to provide the best experience for our children.

Donations can be made at any time of the year but those made before the end of 2021 will be eligible for a 2021 tax receipt. Because of the current pandemic, we ask you to donate online at <https://www.westmountcharter.com/parents/donate/> or mail a cheque and the attached donation form to one of the Westmount campuses. Many parents choose to donate monthly, which may work well for your own budget!

Once again, we wish you and your families health and safety during these uncertain times. Please help us to do what we can by making sure our children receive the best education possible at Westmount Charter School.

Sincerely,

Baljit Singh  
Chair, Westmount Charter School Council

P.S. PLEASE MAKE A DONATION ONLINE NOW

at <https://www.westmountcharter.com/parents/donate/> to ensure we continue to provide enhanced experiences for our students, our parents and our teachers.
