5. Principals' Reports: – Mr. Hal Curties and Mr. Graeme Finley

- [EC Principal's Report](#)
- [MH Principal's Report](#)

Question: Will there be an online school option in September at Mid-high campus? Elementary?
(G.Finlay) Administration is looking at what school will look like next year. Current budget does not include an online school option. More information to come next week.
(H.Curties) Without additional funding, there will not be an online option in September.

Question: For next school year, will there be a vaccination record or screening for those that choose in-person school?
(H.Curties/G.Finlay/J.Frank) School Admin cannot screen based on medical records due to confidentiality.

Question: Why is there so much difference between what the students are doing online in the SEAL program compared to online for in-person learning student? – in terms of instruction time (C.Thomas-Groot) Students in the SEAL program have had months with online and independent learning versus in-person students therefore a decision was made for online classes for in-person students to log on all day as if they were at school in their classroom for the day. (G.Finlay) They are two different programs – AHL or In-person learning. At-home learning program is what students opted into knowing the commitment. This is a mandatory online training period and therefore the same commitment / support may not be the same.

Comment – thank you to all of you for your support, it sure has been a tough school year.

Question: Is there a chance the school will offer COVID-19 vaccines for students such as in Grade 6-9?

(G.Finlay) we have not heard anything yet from AHS.

(J.Frank) there was discussion about Teachers being vaccinated onsite however, that did not work out either.

Note: Week of May 25th will have 25th Anniversary Celebrations at both campuses

- May 27th online celebration with parents (video will be presented)
- May 28th will be a birthday party at both campuses with a gift for each student
- Westmount Alumni event on May 26th

Question: If students do not go back to school this year, what consideration is being given to year-end/term exams. Will they happen or not.

(G.Finlay) May 21st is professional development day. Teachers are working on what final exams will look like. Will determine what would be feasible and reasonable for our students.

6. Comments from Superintendent – Joe Frank

- 2021-22 Budget:
 - o Working with the Board and school administration on the budget for next school year. Hope to have it presented to the Board by Wednesday for implementation in the Fall 2021.
 - o Good news budget – funded the same as 2020-21 school year. New funding model would have significantly impacted us however we have received mitigation funding for next year to support us.

- Thank you to the School Council Executives for all their work this year, greatly appreciated.
