Staffing Update – Welcome to Our New Treasurer

Dear Westmount Charter School Families,

I am pleased to announce that Konstantin Gregovic will be joining Westmount Charter School as our new Treasurer to the Board, effective October 1, 2025.

Konstantin brings over 25 years of leadership experience in finance and operations across education, energy, utilities, and construction. Most recently, he served with the Canadian Rockies School Division, where he held progressively senior roles, including Secretary/Associate Superintendent, Controller, and Assistant Secretary Treasurer. His experience in a smaller school division has provided him with both challenging and rewarding opportunities to deepen his expertise in Alberta's financial frameworks for public education.

Holding degrees in Economics and Finance and a CPA designation in good standing, Konstantin has extensive experience in audits, budgets, compliance, and risk management. He has taken full responsibility for financial reporting and audited statements, including budgeting under Public Sector Accounting Standards (PSAS), and has supported board planning processes aligned with the Education Act.

Throughout his career, Konstantin has been recognized for delivering clean audits, strengthening financial controls, achieving cost savings, and leading multimillion-dollar budgets in complex funding environments. His leadership extends beyond finance, including experience in collective bargaining, strategic planning, and organizational development.

Konstantin is excited to join the Westmount community and looks forward to collaborating with the Board, staff, and community partners to advance our shared vision of "fostering gifted education from the inside out."

Please join me in warmly welcoming Konstantin Gregovic to Westmount Charter School. I would also like to extend our sincere gratitude to Mariette Rabacal for her dedicated service as Treasurer over the past year. We are grateful for her commitment and contributions, and we wish her every success in her future endeavours.

Sincerely,

Dr. Adriana Klassen
Superintendent
Westmount Charter School
