## Elementary Campus Monthly Principal Report

WESTMOUNT  
CHARTER SCHOOL

Dear Westmount Charter School (WCS) Community,

Happy New Year! We hope you all enjoyed a wonderful winter break. We kicked off our first Friday back with a show of Westmount spirit by wearing purple and gold for Westmount Wear Friday. This month, our house colour challenge focuses on goal setting. Mr. Khawaja will conduct a goal-setting lesson with each wellness class. After the lesson, students will have the opportunity to set a goal for the year, earning points for their house!

From January 19 to February 6, we will administer the Provincial Literacy and Numeracy Screeners to our Kindergarten through Grade 3 students. Please save the date for January 23, when we will celebrate Gifted from the Inside Out Spirit Day!

Please note that Progress Reports will be sent digitally on January 27. Additionally, there will be non-instructional days at the end of the month with no school for students on January 28, 29, and 30.

Kind Regards,

Karly Bagnall (Principal) | [karly.bagnall@westmountcharter.com](mailto:karly.bagnall@westmountcharter.com)

### JANUARY HOUSE CHALLENGE GOAL SETTING

All students are invited to take part in our Goal Setting Challenge! Students will be encouraged to think about something they would like to learn, practice, or improve.

Each class will take part in a goal setting lesson, after which students may submit a personal goal to earn a point for their house colour. The house with the most points will win the challenge!

### RECORDER FOR GRADE 4

Each student will receive a quality Aulos Baroque recorder and student book which they will keep at the end of the school year. The cost of \$15 has been added to the school fees for each student. We kindly request that the fee is paid at your earliest convenience so the recorders and books can be ordered.

We look forward to working on note reading and ensemble playing.

## Professional Learning

On Friday, December 19th, our Professional Learning Day featured a Movement Lab session facilitated by Ms. Stein-Harries. This session focused on activities inspired by a sensory diet, integrating cognitive and motor exercises to enhance executive skills and address sensory needs. This proactive approach supports emotional regulation, mental alertness, focus, and executive functioning skills. Movement Lab is currently being piloted at the Elementary Campus.

Led by Ms. Hughes, the staff also had the chance to participate in a painting activity. Thank you to the Charter Board for providing a holiday lunch, which was a wonderful opportunity to celebrate the season, strengthen our sense of community, and connect with colleagues across campuses.

# Information

## Land Acknowledgement

Westmount Charter School is inviting students to help create a new visual background for our school Land Acknowledgment. This updated background will reflect our commitment to truth, reconciliation, and respectful relationships with Indigenous Peoples, especially the Nations whose traditional lands we learn on.

Submissions are due on February 4, 2026.

## Winter LEAD

With LEAD classes, the opportunities are limitless! Teachers delve into their passions to design eight engaging sixty-minute sessions aimed at inspiring students to Learn, Explore, Acquire, and Discover—LEAD. Winter LEAD starts on **January 9, 2026**.
