c. **Bus / Traffic Safety**

Principals reminded parents of the importance of safety concerning driving/parking/drop-offs/pick-ups at both the elementary and mid-high locations. They spoke to the need for using crosswalks, not allowing students to run across the road between buses and not making illegal u-turns. Reminder that it only takes a few extra moments to park safely and circle the block properly. Encourage both parents and students to be mindful of the safety protocols around drop-off and pick-up.

4. Board Update | Myrtle Sproule & Cathy Feehan

There is currently a call out for board candidates (both parent and non-parent members needed). More information and application details are [available here](#).
