

Report to School Council

Mid High Principal - April 2026

Science Fair

Congratulations to all our students who participated in the Calgary City Science Fair.

33 students from Westmount presented their research at the Olympic Oval on both Friday April 10th and Saturday April 11th.

We eagerly wait to hear the results of their hard work!

Spelling Bee

Congratulations to everyone who participated in this year's spelling bees! Advik S., Krisha M., and Alizay J.. who have been invited participate in the Canada National Spelling Bee in Ottawa!

Memory Project

Art students from grades 8, 9, and 10 crafted memory portraits for children in Cambodia. These heartfelt portraits were delivered during the break, and you can watch the delivery in this video. While it's a bit lengthy at eight minutes, it captures the joy and enthusiasm of the children who received the portraits. Watch the video [here](#).

SPIRIT WEEK

Westmount School Council hosted another lively SPIRIT week in the days leading up to Spring break. Events ranged from Pajama Day to a talent show, where the gym buzzed with enthusiastic students cheering for their peers. Everyone enjoyed a fantastic time celebrating their unique talents, showcasing true School SPIRIT.

School Happenings

Speech and Debate making the news!

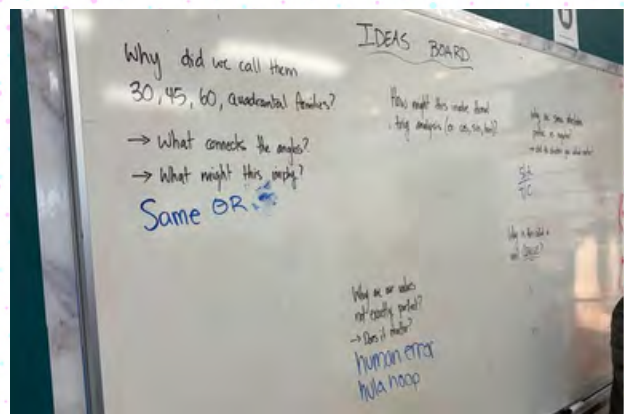

World Individual Debating & Public Speaking Championships

Grade 12 student, Sania G., who is representing Canada on the international stage for a second year in a row and is defending her world championship in impromptu speaking and interpretive reading, has caught the eye of local media. Both CBC and CTV have been highlighting her amazing accomplishments. [Click here](#) for her radio interview
[Click here](#) for her TV segment.
Good luck, Sania!

Hands on High School Math!?!

Students in Mr. Yee's and Ms. Guevarra's Math 30 classes ventured beyond traditional pen-and-paper methods and textbooks to explore circle geometry. They plotted triangles on the coordinate plane and rediscovered significant mathematical ratios and patterns.
