SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of 0109 Westmount Charter School Society presented to Alberta Education and Childcare have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education and Childcare.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility
The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors
The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair
To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

To the Members of Westmount Charter School Society:

Opinion

We have audited the financial statements of Westmount Charter School Society (the "Society"), which comprise the statement of financial position as at August 31, 2026, and the statements of operations, changes in net financial assets, remeasurement gains and losses, cash flows and the related schedules 1 through 8 for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at August 31, 2026, and the results of its operations, its remeasurement gains and losses and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information included in Schedule 9: unaudited schedule of fees and Schedule 10: unaudited schedule of system administration.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SQUARE METRES		
School buildings	14,065.0	14,065.0
Non school buildings	0.0	0.0

Notes:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance undertaken to ensure components reach or exceed their life cycle and the repair of broken components. Maintenance expenses exclude operational costs related to expensed Infrastructure Maintenance Renewal (IMR), CMR & Modular Unit relocations, as they are reported on separately.

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

xpensed IMR, CMR & Modular Unit Relocation & Lease Payments: All operational expenses associated with non-capitalized IMR and CMR projects, modular unit (portable) relocation, and payments on leased facilities.

Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, clerical functions, negotiations, supervision of employees & contractors, school facility planning & project 'administration', administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, codes and government regulations.

Unsupported Amortization & Other Expenses: All expenses related to unsupported capital assets amortization and interest on unsupported capital debt.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.

NOTES

(a) Transfers (from) endowment funds

Transfers from endowment funds are expected to be rare, as endowment principal is generally required to be maintained.

Where a transfer from endowment funds has occurred, school jurisdictions must specify the authority that permitted the transfer in the box provided.

(b) Unrealized gains or losses

1. Provide breakdown of unrealized gains or losses - recognized in the Statement of Remeasurement Gains and Losses vs deferred contributions.

2. Provide support and rationale in the box below for unrealized gains or losses being externally restricted and reported as deferred contributions in row 91.

Unrealized Gains or Losses	2026	2025
Recognized in the Statement of Remeasurement Gains and Losses	$ -	$ -
Recognized as deferred contributions	-	-

The following represents the maturity structure for portfolio investments based on principal amount:

	2026	2025
Under 1 year	0.0%	0.0%
1 to 5 years	0.0%	0.0%
6 to 10 years	0.0%	0.0%
11 to 20 years	0.0%	0.0%
Over 20 years	0.0%	0.0%
	0.0%	0.0%

*Indicate proportion of investment holdings according to maturity - Total must equal 100%
- If no explicit maturity date, please indicate expected or estimated divestment date.

Transfers between Level 1 and Level 2

NOTE 1 – AUTHORITY AND PURPOSE

The ABC Charter Public School Society was incorporated on August 9, 2000 under the laws of the Societies Act of Alberta. The Society's main purpose was to operate the ABC Charter Public School which had previously been operated as a division of the Action for Bright Children (Calgary Society). The Calgary Society was approved to open and operate a Charter School in Calgary which commenced operations August 1, 1996 and transferred the charter to the Society effective for the beginning of the 2000/2001 school year. On November 15, 2002, the Society changed its name to Westmount Charter School Society ("Westmount" or the "Society"). These financial statements are presented to include the assets, liabilities and operations of Westmount Charter School Society from the commencement of operations in 1996.

The Society delivers education programs under the authority of the *Education Act*, 2012, Chapter E-0.3.

The Society receives funding for instruction and support under Ministerial Grants Regulation (AR 215/2022). The regulation allows for the setting of conditions and use of grant monies. The Society is limited on certain funding allocations and administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with CPA Canada Public Sector Accounting Standards (PSAS). The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

Basis of Financial Reporting

Valuation of Financial Assets and Liabilities

The Society's financial assets and liabilities are generally measured as follows:

Financial Statement Component	Measurement
Cash and cash equivalents	Cost
Accounts receivable	Lower of cost or net recoverable value
Inventories for resale	Lower of cost or net realizable value
Portfolio investments	Fair value and cost or amortized cost
Accounts payable and other accrued liabilities	Cost
Debt	Amortized cost
Asset retirement obligations and environmental liabilities	Cost or present value

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations.

Financial assets are the Society's financial claims on external organizations and individuals, as well as cash and inventories for resale at the year end.

Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid, investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term commitments rather than for investment purposes.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Accounts Receivable

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

Other financial assets

Other financial assets are valued at the lower of cost or expected net realizable value.

Liabilities

Liabilities are present obligations of the school jurisdiction to external organizations and individuals arising from past transactions or events occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

Accounts payable and other accrued liabilities

Accounts payable and accrued liabilities include unearned revenue collected from external organizations and individuals for which goods and services have yet to be provided.

Deferred Contributions

Deferred contributions include contributions received for operations which have stipulations that meet the definition of a liability per *Public Sector Accounting Standard (PSAS) PS 3200*. These contributions are recognized by the Society once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred contributions also include contributions for capital expenditures, unexpended and expended. Unexpended Deferred Capital Contributions (UDCC) represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the Society, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per *PS 3200* when expended.

Spent Deferred Capital Revenue (SDCC) represents externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related tangible capital asset. Amortization over the useful life of the related tangible capital asset is due to certain stipulations related to the contributions that require the Society to use the asset in a prescribed manner over the life of the associated asset.

Asset Retirement Obligations

Asset retirement obligations are legal obligations associated with the retirement of a tangible capital assets (TCA). Asset retirement activities include all activities relating to an asset retirement obligation. These may include, but are not limited to:

- decommissioning or dismantling a tangible capital asset that was acquired, constructed or developed;
- remediation of contamination of a tangible capital asset created by its normal use;
- post-retirement activities such as monitoring; and
- constructing other tangible capital assets to perform post-retirement activities.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Asset Retirement Obligations - continued

A liability for an asset retirement obligation is recognized when, as at the financial reporting date:

a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
b) the past transaction or event giving rise to the liability has occurred;
c) it is expected that future economic benefits will be given up; and
d) a reasonable estimate of the amount can be made.

When a liability for asset retirement obligation is recognized, asset retirement costs related to recognized tangible capital assets in productive use are capitalized by increasing the carrying amount of the related asset and are amortized over the estimated useful life of the underlying tangible capital asset. Asset retirement costs related to unrecognized tangible capital assets and those not in productive use are expensed.

Environmental Liabilities

Liabilities for Contaminated Sites:

Contaminated sites are a result of contamination of a chemical, organic or radioactive material or live organism that exceeds an environmental standard, being introduced into soil, water or sediment.

A liability for remediation of a contaminated site may arise from an operation that is either in productive use or no longer in productive use and may also arise from an unexpected event resulting in contamination. The resulting liability is recognized net of any expected recoveries, when all of the following criteria are met:

a) an environmental standard exists;
b) contamination exceeds the environmental standard;
c) the Society is directly responsible or accepts responsibility;
d) it is expected that future economic benefits will be given up; and
e) a reasonable estimate of the amount can be made.

Other environmental liabilities:

Other environmental liabilities (which are not liabilities for contaminated sites or asset retirement obligations) are recognized when all of the following criteria are met:

a) the Society has a duty or responsibility to others, leaving little or no discretion to avoid the obligation;
b) the duty or responsibility to others entails settlement by future transfer or use of assets, or a provision of services at a specified or determinable date, or on demand;
c) a transaction or events obligating the Society have already occurred; and
d) a reasonable estimate of the amount can be made.

The Society does not have any asset retirement obligations or other environmental liabilities.

Debt

Notes, debentures, and mortgages are recognized at their face amount less unamortized discount, which includes issue expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Non-Financial Assets

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

a) are normally employed to deliver government services;
b) may be consumed in the normal course of operations; and
c) are not for sale in the normal course of operations.

Non-financial assets include tangible capital assets, inventories of supplies and prepaid expenses.

Tangible Capital Assets

The following criteria applies:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset, and asset retirement cost.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Construction-in-progress is recorded as a transfer to the applicable asset class at substantial completion.
- Buildings include site and leasehold improvements as well as assets under capital lease.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the Society to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Expended Deferred Capital Contributions.
- Buildings that are demolished or destroyed are written-off.
- Tangible capital assets with costs in excess of $5,000 are capitalized.
- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the Society are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the Society's rate for incremental borrowing or the interest rate implicit in the lease.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Other equipment and furnishings	5 years
Computer hardware	4 years
Buildings (Leasehold Improvements)	shorter of: (i) useful life or (ii) life of remaining term of lease

Prepaid expenses

Prepaid expenses are recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects use of the resource.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Operating and Capital Reserves

Certain amounts, as approved by the Society's Board, are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Society's Board. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Accumulated Surplus.

Revenue Recognition

All revenues are reported on the accrual basis of accounting. Cash received for which goods or services have not been provided by year end is recognized as unearned revenue and recorded in accounts payable and other accrued liabilities.

Endowment contributions, matching contributions, and associated investment income allocated for preservation of endowment capital purchasing power are recognized in the Statement of Operations in the period in which they are received.

Government transfers

Transfers from all governments are referred to as government transfers.

Government transfers and associated externally restricted investment income are recognized as deferred contributions if the eligibility criteria for use of the transfer, or the stipulations together with the Society's actions and communications as to the use of the transfer, create a liability. These transfers are recognized as revenue as the stipulations are met and, when applicable, the Society complies with its communicated use of these transfers.

All other government transfers, without stipulations for the use of the transfer, are recognized as revenue when the transfer is authorized and the Society meets the eligibility criteria (if any).

Donations and non-Government contributions

Donations and non-government contributions are received from individuals, corporations, and private sector not-for-profit organizations. Donations and non-government contributions may be unrestricted or externally restricted for operating or capital purposes.

Unrestricted donations and non-government contributions are recognized as revenue in the year received or in the year the funds are committed to the Society if the amount can be reasonably estimated and collection is reasonably assured.

Externally restricted donations, non-government contributions and realized and unrealized gains and losses for the associated externally restricted investment income are recognized as deferred contributions if the terms for their use, or the terms along with the Society's actions and communications as to the use, create a liability. These resources are recognized as revenue as the terms are met and, when applicable, the Society complies with its communicated use.

In-kind donations of services and materials are recognized at fair value when such value can reasonably be determined. While volunteers contribute a significant amount of time each year to assist the Society, the value of their services is not recognized as revenue and expenses in the financial statements because fair value cannot be reasonably determined.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Revenue Recognition - continued

Investment income

Investment income includes dividend and interest income and realized gains or losses on the sale of portfolio investments. Unrealized gains and losses on portfolio investments that are not from restricted transfers, donations or contributions are recognized in the Statement of Accumulated Remeasurement Gains and Losses until the related investments are sold. Once realized, these gains or losses are recognized in the Statement of Operations.

Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

Program Reporting

The Society's operations have been segmented as follows:

- **ECS Instruction:** The provision of ECS education instructional services that fall under the basic public education mandate.
- **Grades 1 - 12 Instruction:** The provision of instructional services for Grades 1 - 12 that fall under the basic public education mandate.
- **Operations and Maintenance:** The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation:** The provision of regular and special education bus services (to/from school), whether contracted or board operated, including transportation facility expenses.
- **System Administration**: The provision of board governance and system-based/central office administration.
- **External Services:** All projects, activities, and services offered outside the public education mandate for ECS children and students in Grades 1 - 12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, object and type on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies & services, school administration & instruction support, and system instructional support.

Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The Society recognizes a financial instrument when it becomes a party to a financial instrument contract.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Foreign Currency Translation

Transaction amounts denominated in foreign currencies are translated into their Canadian dollar equivalents at exchange rates prevailing at the transaction dates. Carrying values of monetary assets and liabilities and non-monetary items denominated in foreign currencies included in the fair value category reflect the exchange rates at the Statement of Financial Position date. Unrealized foreign exchange gains and losses are recognized in the Statement of Remeasurement Gains and Losses.

In the period of settlement, foreign exchange gains and losses are reclassified to the Statement of Operations, and the cumulative amount of remeasurement gains and losses are reversed in the Statement of Remeasurement Gains and Losses.

Measurement Uncertainty

Measurement uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount. The preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits, is subject to measurement uncertainty.

Estimates of liabilities for contaminated sites are subject to measurement uncertainty because the existence and extent of contamination, the responsibility for clean-up, and the timing and cost of remediation cannot be reasonably estimated. The degree of measurement uncertainty cannot be reasonably determined.

There is measurement uncertainty related to asset retirement obligations as it involves estimates in determining settlement amount, discount rates and timing of settlement. Changes to any of these estimates and assumptions may result in change to the obligation.

NOTE 3 – FUTURE ACCOUNTING PRONOUNCEMENTS

The Public Sector Accounting Board has issued the following accounting standards:

The Conceptual Framework of Financial Reporting in the Public Sector

(effective September 1, 2026)

The Conceptual Framework is the foundation for public sector financial reporting standard setting. It replaces the conceptual aspects of Section PS 1000 Financial Statement Concepts and Section PS 1100 Financial Statement Objectives. The conceptual framework highlights considerations fundamental for the consistent application of accounting issues in the absence of specific standards.

PS 1202 Financial Statement Presentation

(effective September 1, 2026)

Section PS 1202 sets out general and specific requirements for the presentation of information in general purpose financial statements. The financial statement presentation principles are based on the concepts within the Conceptual Framework.

The Society has not yet adopted these two accounting standards. Administration is currently assessing the impact of these standards on the financial statements.

NOTE 4 – ACCOUNTS RECEIVABLE

	2026			2025
	Gross Amount	Allowance for Doubtful Accounts	Net Realizable Value	Net Realizable Value
Alberta Education - Grants	$ -	$ -	$ -	$
Other Alberta school jurisdictions	15,988	-	15,988	-
Post-secondary institutions	-	-	-	
Federal government	60,193	-	60,193	52,429
Other	25,129	-	25,129	32,620
Total	$ 101,310	$ -	$ 101,310	$ 85,049

NOTE 5 – CONTRACTUAL RIGHTS

Contractual rights are rights of the Society to economic resources arising from contracts or agreements that will result in both assets and revenues in the future when the terms of those contracts or agreements are met.

	2026	2025
Contractual rights from operating leases	$ 36,000	$ 36,000
Contractual rights from service agreement	-	-
Other	-	-
Total	$ 36,000	$ 36,000

Estimated amounts that will be received or receivable for each of the next five years and thereafter are as follows:

	Operating Leases	Service Agreements	Other	Total
2026/2027	$ 36,000	$ -	$ -	$ 36,000
2027/2028	-	-	-	-
2028/2029	-	-	-	-
2029/2030	-	-	-	-
2030/2031	-	-	-	-
Thereafter	-	-	-	-
	$ 36,000	$ -	$ -	$ 36,000

NOTE 6 – ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

	2026	2025
Other trade payables and accrued liabilities	$ 541,147	$ 749,075
Unearned Revenue		
Unearned Fees	277,910	260,779
School Generated Funds	182,697	144,683
Total	$ 1,001,754	$ 1,154,537

NOTE 7 – BENEFIT PLANS

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers' Pension Plan Act, the Society does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers' Retirement Fund on behalf of the Society is included in both revenues and expenses. For the school year ended August 31, 2026, the amount contributed by the Government was $678,726 (2025 - $698,510).

The Society does not participate in multi-employer pension plans.

NOTE 8 – PREPAID EXPENSES

Prepaid Expenses consist of the following:

	2026	2025
Dental Benefits Deposit	$ 32,851	$ 112,868
Workers' Compensation Board	-	-
Other	133,836	84,202
	$ 166,687	$ 197,070

NOTE 9 – NET ASSETS

Detailed information related to accumulated surplus is available on the Schedule of Changes in Accumulated Surplus. Accumulated surplus may be summarized as follows:

	2026	2025
Unrestricted surplus	$ 1,041,262	$ 165,767
Operating reserves	366,603	200,836
Accumulated surplus from operations	$ 1,407,865	$ 366,603
Investment in capital assets	592,411	630,620
Capital reserves	228,864	228,864
Accumulated surplus	$ 2,229,140	$ 1,226,087

Accumulated surplus from operations (ASO) includes funds of $nil (2025 - $nil) that are raised at school level and are not available to spend at board level. The Society's adjusted surplus from operations is calculated as follows:

	2026	2025
Accumulated surplus from operations	$ 1,407,865	$366,603
Deduct: School generated funds included in accumulated surplus	-	-
Adjusted accumulated surplus from operations	$ 1,407,865	$ 366,603

Adjusted accumulated surplus from operations represents funds available for use by the Society after deducting funds raised at school level.

NOTE 10 – CONTRACTUAL OBLIGATIONS

	2026	2025
School Buildings and Board Office Lease (1)	$ 110,751	$ 131,846
Service Providers (2)	1,302,259	2,295,190
Other	-	-
	$ 1,413,010	$ 2,427,036

(1) School Buildings and Board Office Lease: The Society has signed agreements with the Calgary Board of Education, a related party, to lease two school buildings and a central office space to July 31, 2031. The annual premise fee for the school buildings is $2 and the annual premise fee for the board office space is $21,093 for Years 1-5 and $22,851 for Years 6-10.
(2) Service Providers: As of August 31, 2026, the Society had $1,302,259 (2025 $ 2,295,190) in commitments relating to service contracts.

Estimated payment requirements for each of the next five years and thereafter are as follows:

NOTE 10 – CONTRACTUAL OBLIGATIONS – continued

	Building Projects	School Buildings and Board Office Lease	Service Providers	Other	Total
2026/2027	-	21,242	1,302,259	-	1,323,501
2027/2028	-	22,853	-	-	22,853
2028/2029	-	22,853	-	-	22,853
2029/2030	-	22,853			22,853

Total gross receipts	$ 566,140	$ 455,994
Total Related Expenses and Uses of Funds	528,126	440,183
Deferred School Generated Revenues, End of Year	$ 182,697	$ 144,683

NOTE 13 – RELATED PARTY TRANSACTIONS

Related parties are those entities consolidated or accounted for on the modified equity basis in the Government of Alberta Consolidated Financial Statements. Related parties also include key management personnel in division and their close family members.

All entities that are consolidated in the accounts of the Government of Alberta are related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

	Balances		Transactions

Other Alberta school jurisdictions	15,988	-	52,767	50,998
Post-secondary institutions	-	-	-	42,775
TOTAL 2025/2026	15,988	144,979	16,729,189	93,773
TOTAL 2024/2025	$16,656	$304,424	15,262,273	135,240

The Society and its employees paid or collected certain taxes and amounts set by regulation or local policy. These amounts were incurred in the normal course of business, reflect charges applicable to all users and have been excluded from this schedule.

The Society did not have transactions with any other related parties, not at fair value.

NOTE 14 – ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The Society's primary source of income is from the Alberta Government. The Society's ability to continue viable operations is dependent on this funding.

NOTE 15 – BUDGET AMOUNTS

The budget was prepared by the Society and approved by the Society's Board on May 21, 2025. It is presented for information purposes only and has not been audited.
